Important

Please have the serial number of your machine readily available as you use this parts manual. Many parts lists contain component listings followed by serial number breaks. Serial number breaks indicate a change in the fit, form or function of the part. Without the correct serial number, you may order a part that does not fit or work in your machine.

The serial number is found on the upper right corner of the serial plate. The serial plate is located on the back of the number 1 column.

If you have any questions about obtaining correct parts, please call the Genie Industries Service Parts Department.

The product code is found on the lower right corner of the serial plate.

How to Order Parts

Please be prepared with the following information when ordering replacement parts for your Terex or Genie product.

- ☒ Machine model number
- ☒ Machine serial number
- ☒ Part number
- ☒ Part description and quantity
- ☒ Purchase order number
- ☒ "Ship to" address
- ☒ Desired method of shipment
- ☒ Name and telephone number of the authorized distributor in your area

Use the Service Parts Fax Order Form on the next page and fax your order to our Parts Department.

If you don't know the name of your authorized distributor, or if your area is not currently serviced by an authorized distributor, please call Terex or Genie Industries.

Required Parts

The following parts are required to perform maintenance procedures as outlined in the *Genie AWP Service Manual*.

Description	Part No.
Boe Lube SP Wax.....	90337
Dielectric Grease	66399

Recommended Parts

Description	Part No.
Genie Blue Paint, 1 Gallon	32150
Genie Blue Paint, 12 Ounce Aerosol	1484
Genie Gray Paint, 1 Gallon.....	32151
Genie Gray Paint, 12 Ounce Aerosol	1268

Manuals

Genie Industries offers the following support documents for these models:

Title	Part No.
Genie AWP Operator's Manual, 4th Edition (from 3890-201 to 3891-1185).....	24145
Genie AWP Service Manual, First Edition (before Serial No. 4096-102)	31578
EMI Safety Manual	27581
Manual of Responsibilities ANSI A92.5	31587

California Proposition 65

WARNING

Operating, servicing and maintaining this equipment, passenger vehicle or off-highway motor vehicle can expose you to chemicals including engine exhaust, carbon monoxide, phthalates, and lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. These chemicals can be emitted from or contained in other various parts and systems, fluids and some component wear by-products. To minimize exposure, avoid breathing exhaust, do not idle the engine except as necessary, service your equipment and vehicle in a well-ventilated area and wear gloves or wash your hands frequently when servicing your equipment or vehicle and after operation. For more information go to www.P65Warnings.ca.gov/passenger-vehicle.

Breathing diesel engine exhaust exposes you to chemicals known to the State of California to cause cancer and birth defects or other reproductive harm.

- Always start and operate the engine in a well-ventilated area.
- If in an enclosed area, vent the exhaust to the outside.
- Do not modify or tamper with the exhaust system.
- Do not idle the engine except as necessary.

For more information go to www.P65warnings.ca.gov/diesel.
